

# Going to the Dentist

## Social Story

Driving up to the  
dentist office will look  
like this.

Open the doors and...

Say hi to our office staff.

We're so happy  
to see you!

While you wait for  
your name to be called,  
you can play with toys

or play video games.

When they call your name,  
you will get your own  
surfboard and can watch  
a movie on the ceiling.

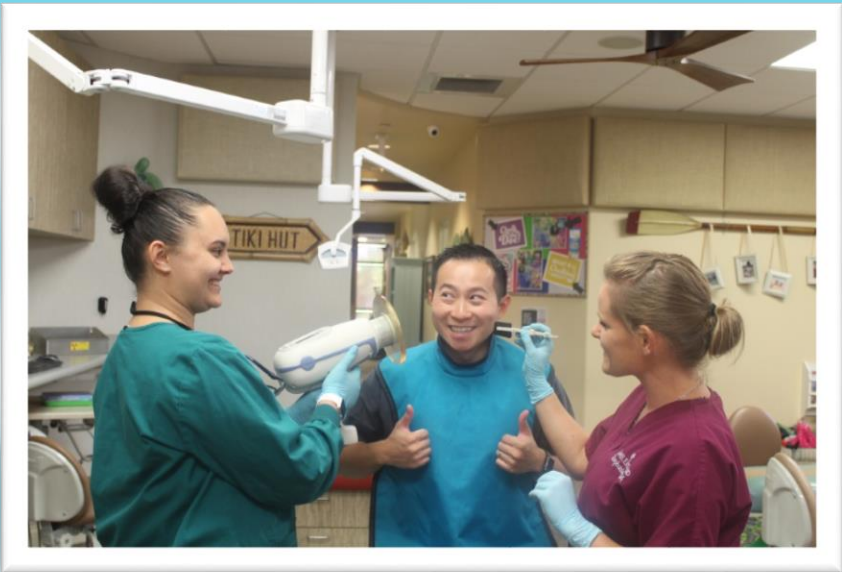

Do you want to wear headphones?

Watch us put on our  
gloves and mask.

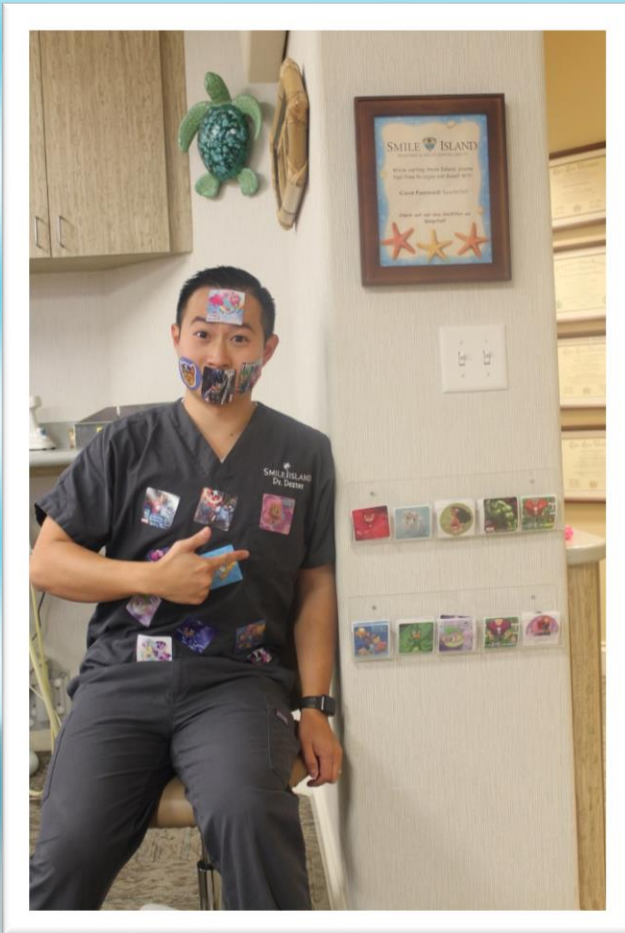

The assistant might want  
to take pictures with our  
magic Camera.

Say Cheese!!

After your pictures,  
you can get stickers!

Time to brush!  
We will use a spinning  
toothbrush and toothpaste.

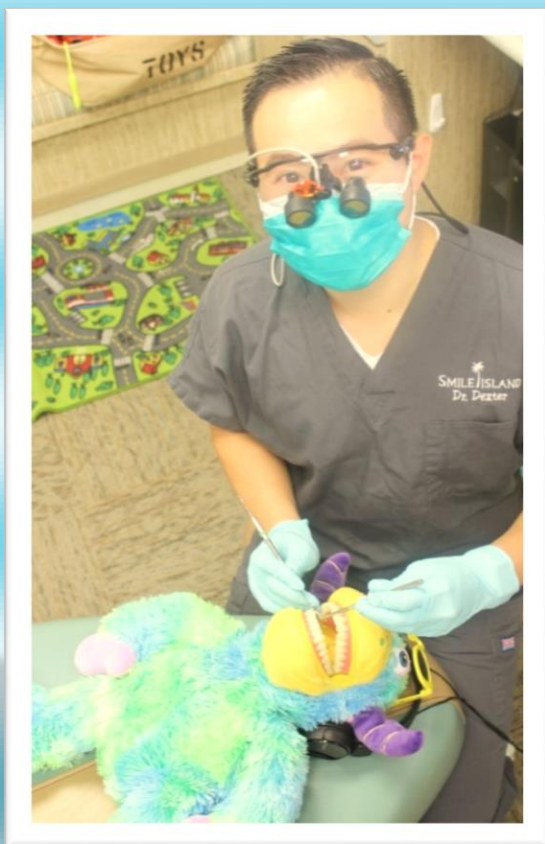

Tastes Yummy!

You can wear sunglasses  
if you want too.

Now, it's time to  
count your teeth.

Open wide!

1, 2, 3...

How many teeth do you  
think you have?

Good job! All done!  
Time to spin the wheel  
for a prize!

Now it's time to say bye.

See you next time!

How many times do you see  
Dr. Dexter in this story?

Answer: 15
